More details...

Rehearsal: Tuesday, May 17th 4:15-6:30PM (estimated time)

- Performers will be assigned to one of two practice times once registration closes. Practice 1 will run from 4:15-5:15 (roughly). Practice 2 will run from 5:15-6:15. Acts will go on stage in a first come, first serve order.
- At rehearsal performers will more than likely not get to perform their entire act. The main purpose of this practice time is to test music, microphones, and the logistics of prop placement and removal.
- Students who can not attend the rehearsal can still participate in the show. Please email Tara Doyle (tdoyle@westport.k12.ct.us) if you know you will not be attending rehearsal.

Performance Night: Thursday, May 19th 5PM

- **K-2 Performers:** Report to Bedford promptly at 4:45PM to check in with an assigned teacher volunteer in the cafeteria. Be dressed to perform. The show will begin at 5:00 pm. Parents/guardians should proceed to auditorium for the performance.
- **3-5 Performers:** Arrive at BMS in costume and **remain** with a parent/ guardian until intermission. Any special props can be dropped off backstage labeled with the act number. At intermission, 3-5 performers will be asked to check in with an assigned teacher volunteer in the cafeteria.
- We ask all performers and KHS community members to be respectful audience members. Extra walking around and socializing will not be permitted while performers are on stage.
- Charitable donations to Hole in the Wall Gang Camp will be collected during the show.
- No food or drink will be permitted in the auditorium. Please plan accordingly.

Pre Recorded Background Music

All background music must be turned in by May 12th.

- Digital music files can be emailed to Mrs. Doyle (tdoyle@westport.k12.ct.us).
- CD's can be placed in the Variety Show collection box in the office (labeled with the **student's name, track title/number, and classroom teacher name**). CD's will be returned to students once their track has been added to our playlist.
- All tracks will be played from the beginning and then turned off after 60 seconds unless otherwise indicated.
